makandra cards
Cloud subscription pricing

A cloud subscription is the simplest way to use makandra cards. We make sure that the application is available and that your data is secure. No setup required.

Pricing

Cloud subscriptions are billed per month and number of users:

Users	Subscription fees	
10	EUR 25	per month
15	EUR 50	per month
25	EUR 100	per month
50	EUR 200	per month
100	EUR 300	per month
500	EUR 500	per month
2000	EUR 1.000	per month

All prices are net prices without VAT.

Security and availability

Your data is physically stored in Munich, Germany. Our data center is ISO 27001 certified.

We perform daily backup of all data.

The application is operated on redundant infrastructure so makanada cards remains available in the case of a hardware defect.

You can export your cards from your deck settings at any time.
